Re: SSP Receives ASLRRA's 2024 Jake Award with Distinction

Spokane, Spangle & Palouse Railway (SSP) is dedicated to safety. This dedication has led to zero incidents or injuries since our inception in 2019. For our 2024 safety performance, SSP received the American Short Line and Regional Railroad Association's (ASLRRA) Jake Award with Distinction.

The Jake Awards are safety-based and presented annually by ASLRRA. To be honored with a **Jake Award**, an ASLRRA member railroad must outperform the Class II and III railroad industry average injury frequency rate as reported by the Federal Railroad Administration (FRA) during the prior year. To receive the Jake Award with Distinction, a member railroad must achieve no FRA reportable injuries or fatalities for the previous year.

Thank you for your patronage. We look forward to providing you with avenues for additional growth. Copies of all SSP Customer Notifications are available on our website.
